On behalf of the entire Life Teen team of adult chaperones and teen participants from Epiphany Parish in Bloomington, I want to thank you for hosting the recent Teen retreat at the Ave Maria Retreat Center. We had a wonderful weekend of faith, fellowship and fun. The facilities were very comfortable, the chapel is beautiful and the property was very peaceful. I know our priest, Fr. John and Deacon An, were also very happy with the facilities and accommodations.

I am most happy to encourage you in your good work and we will definitely consider the Ave Maria Retreat Center for future retreats.

May God bless your work,

Jim Surprenant
